

OUR YOUTH DEVELOPMENT STRATEGY

We assure that all members have positive experiences that contribute to an increased sense of self-esteem. We pursue the strategy with purpose, passion, and patience. We do this by instilling a sense of:

BELONGING

A feeling that the child fits in, is valued, and is part of the group.

COMPETENCE

A feeling that the child can do something well and will be respected for that by his or her peers.

USEFULNESS

A feeling that the child has an opportunity to do something of value for other people.

and UPWARD INFLUENCE

A feeling that the child has a chance to speak up, be heard, and influence decisions in the Club.

NOTA BENE

Campers MUST be escorted into the building

Sign-ups and Thursday payments for weekly sessions dictate the staffing pattern for the week (or three day plan).

There is a \$50 non-refundable deposit due at time of sign up for each camper.

Campers are issued barcoded ID badges upon registration. It is critically important that badges are worn every day.

BGCP PROVIDES TEN WEEKS OF SMARTER FUN IN THE SUMMER

Research shows that the most powerful and authentic learning experiences, through games and hands-on activities, often occur outside traditional school classrooms. **"SMARTER FUN IN SUMMER"** is a program to limit summer learning losses with games and activities that are fun, but disguised to not resemble school-time skills.

Our "Smarter Fun in Summer Camp" promotes leisure activities that reinforce important skills like reading, writing, listening, computing, and problem solving.

These learning experiences often generate the most excitement among young people and leave lasting imprints on their positive growth and development.

Summer staffing includes a Camp Director, who is a Child Development specialist, reading instructors, activity coordinators, and a trained staff certified in CPR and First Aid.

Mission Statement

To inspire and enable all young people, especially those who need us most, to reach their full potential as caring, productive, and responsible citizens.

The Boys & Girls Club of Plymouth will advocate for area youth and provide them with activities designed to build self-esteem, develop leadership skills, and promote positive life choices.

PROMOTING ENTHUSIASM

An integral part of the camp experience is centered around opening and closing ceremonies each day. Campers raise and salute the flag each morning and take it down and fold it properly each afternoon. Members of the flag detail develop a sense of pride in their work and how others how to fold the flag.

Another feature promoting enthusiasm is the leisure reading time each day after lunch. Members are welcome to bring in books for summer reading.
